

Isaac Shochat

Updated: June 7, 2026

Personal Details

- Full Name: Isaac Shochat
- E-mail: isaac@shochat.org

Academic Degrees

- 2012, MD, Faculty of Medicine, The Hebrew University in Jerusalem.

Professional Education

- 2022, Board exam in Otolaryngology and Head & Neck surgery
- 2021, Head & Neck surgery course, Faculty of Medicine, Tel-Aviv University.

Courses

- 2021, Good Clinical Practice re-examination
- 2025, ACLS re-certificate
- 2022, Head & Neck surgeries course, Tel-Aviv University
- 2020, 3rd Annual endoscopic course, University of Colombia
- 2019, 2nd Annual endoscopic course, University of Colombia
- 2019, Sonographic examination of the head & Neck course
- 2018, Dissection of the temporal bone course, Shamir Medical Center
- 2017 - 2022, Continuing education in ENT, Tel-Aviv University
- 2017, PALS Certificate
- 2016, ATLS certificate

Academic Appointments

- 2022 - Current, Clinical tutor, Technion faculty of medicine.
- 2007, Anatomy instructor for 2nd-year medical students, Faculty of Medicine, The Hebrew University in Jerusalem.

Professional Experience

- 2026 - Current, Head of Laryngology, Department of ENT and Head & Neck Surgery, Hillel Yaffe Medical Center.
- 2023 - 2026, Attending physician, Department of ENT and Head & Neck Surgery, Hillel Yaffe Medical Center.
- 2024, International workshop on unilateral or bilateral laryngeal innervation, MTC Rouen, France.
- 2024, Vocal Folds surgery, Laser, and voice feminization, Voice Clinic, Hamburg
- 2023-2024, Laryngology internship, Rabin Medical Center
- 2017 - 2023, Resident, Department of ENT and Head & Neck Surgery, Hillel Yaffe Medical Center.
- 2013 - 2017, Physician on an emergency vehicle, Shahal Telemedicine.
- 2012 - 2014, On-call physician, Pediatrics Haemato-Oncology department, Soraski Medical Center.
- 2012 - 2013, Medical internship, Soraski Medical Center.
- 2007, Anatomy instructor for 2nd-year medical students, Faculty of Medicine, The Hebrew University in Jerusalem.
- 2007 - 2009, Sleep technician, Technion sleep labs, Jerusalem.

Research Interests

- Laryngology; Integrating maker community & mentality, and biotech, into everyday medical use; Minimal invasive surgical treatments for Obstructive sleep apnea; Utilizing big data for analyzing disease patterns.

Teaching Experience

- ENT rounds tutor for 2nd and 5th years medical students, Technion faculty of medicine.
- Anatomy instructor for 2nd-year medical students, Faculty of Medicine, The Hebrew University in Jerusalem.

Membership In Professional Societies

- European Laryngological Society
- European Rhinologic Society
- International Federation of Otorhinolaryngological Societies
- Israeli society for ENT physicians and Head & Neck surgery
- Israeli Voice Association
- Israeli Laryngological Association

Awards and honors

- 2021-22, Distinguished lecturer, The Technion - Israel Institute of Technology, The Ruth & Bruce Rappaport, Faculty of Medicine
- 2020-21, Distinguished lecturer, The Technion - Israel Institute of Technology, The Ruth & Bruce Rappaport, Faculty of Medicine
- 2022, HILA Program for excellence, Hillel Yaffe Medical Center
- 2023, Finalist in the Israel Science Foundation (ISF) grant application for "AI-guided voice reconstruction for aphonic patients," under the category of unique, groundbreaking applied research.
- 2023-24, Distinguished lecturer, The Technion - Israel Institute of Technology, The Ruth & Bruce Rappaport, Faculty of Medicine
- 2024-25, Distinguished lecturer, The Technion - Israel Institute of Technology, The Ruth & Bruce Rappaport, Faculty of Medicine

Graduate Students

Finished MD Theses

- Hila Teich, 2020, Itzhak Braverman, Isaac Shochat, Prevalence of complications due to sinusitis from an odontogenic origin, Tel-Aviv University, Israel.
- Rotem Lahat, 2023, Isaac Shochat, Forsa Jahshan, Itzhak Braverman, The relation between high septum deviation and sinusitis, The Ruth and Bruce Rappoport Faculty of Medicine, Carmel Medical Center, Technion Israel Institute of Technology, Haifa, Israel.

Ongoing MD Theses

- Adar Cymbalista, 2025, Lev Chavtinski, Itzhak Braverman, Isaac Shochat, Correlation Between the Presence of Fluid in the Middle Ear and Mastoid Air Cells with Craniofacial Characteristics in Adults on MRI, The Ruth and Bruce Rappoport Faculty of Medicine, Carmel Medical Center, Technion Israel Institute of Technology, Haifa, Israel.

Publications

Refereed Papers in Professional Journals

Clinical Research

- Sion, E., Shochat, I., Haldenberg, E., Braverman, I. Relation between obstructive sleep apnea and peripheral arterial occlusive disease

Conferences

Presented papers

International

- Sinus mucosa manipulation with a novel device. Congress of the European Rhinologic Society in collaboration with Isian and IRS. Thessaloniki, Greece, September 2021.
- Evaluating DISE-oriented Multilevel OSA Surgery. The international Emirates Congress of sleep disorders. Dubai, UAE, December 2021.
- DIY in laryngology - low-cost stroboscopy. The 14th Pan-European Voice Conference. Tallinn, Estonia, August 2022.
- DIY in laryngology - low-cost stroboscopy. The 16th meeting of the International Association of Phonosurgery. Kyoto, Japan, October 2022.
- Acoustic properties of Healthy vs. OSA patients. World Sleep 2025, Singapore, September 2025

National

- Use of Molecular Testing as a Tool for Deciding the Extent of a Thyroid Surgery, The annual meeting of the Israeli society for ENT physicians and Head & Neck Surgery, Eilat, March 2019.
- Clinical Efficacy Of Topical Nasal Pomegranate Fruit Extract For Patients Suffering From CR or CRS. The Annual meeting of the Israeli Rhinologic Society, Tel Aviv, May 2019.
- Distribution of Genetic Mutations within the Different Bethesda Classification Categories. The Annual Conference of the Israeli Society of Head and Neck Surgery and Oncology, Jerusalem, November 2019.
- Molecular Testing For Advanced Bethesda Categories as a Tool Optimizing Surgery in Patients Undergoing Thyroidectomy, The annual meeting of the Israeli society for ENT physicians and Head & Neck Surgery, Eilat, March 2020.

Contributed Talks and Posters

International

- Mohamad Taha, M.D., Isaac Shochat, M.D., Intratympanic steroid injection, Alternative or initial treatment for facial nerve palsy? IFOS ENT World Congress, Paris, France, June 2017. Poster.
- Itzhak Braverman, M.D., Isaac Shochat, M.D., Current and future approaches for sinus disease-a novel treatment for acute and chronic rhinosinusitis: safety and preliminary results, RhinoWorld, Chicago, US, June 2019, Oral presentation.
- Assaf Israeli, M.D., Golda Grinblat, M.D., Isaac Shochat, M.D., Miri Sarid, Mickey Dudkiewicz, M.D., Itzhak Braverman M.D., Clinical Efficacy of Topical Nasal Pomegranate Fruit Extract for Chronic Rhinitis and Chronic Rhinosinusitis. Congress of the European Rhinologic Society in collaboration with Isian and IRS. Thessaloniki, September 2021, Poster.
- Tali Teitelbaum, M.D., Isaac Shochat M.D., Mohamad Taha M.D., Itzhak Braverman M.D. Use of 3D IR laser in rhinoplasty evaluation and follow-up. Congress of the European Rhinologic Society in collaboration with Isian and IRS. Thessaloniki, September 2021, Poster.
- Isaac Shochat M.D., Tali Teitelbaum M.D., Golda Grinblat M.D., Howard Levine, M.D. Itzhak Braverman M.D. Safety of a New Sinus Irrigation Device in Rhinosinusitis: A Pilot Study. Congress of the European Rhinologic Society in collaboration with Isian and IRS. Thessaloniki, September 2021, Oral presentation.
- Dor Maayan M.D., Isaac Shochat M.D., Itzhak Braverman M.D. Tonsillectomy for OSA: Surgery planned utilizing DISE illustrates the effect tonsils have on the severity of OSA. Congress of the European Rhinologic Society in collaboration with Isian and IRS. Thessaloniki, September 2021, Oral presentation.
- Tali Teitelbaum M.D., Isaac Shochat M.D., Itzhak Braverman M.D. Epiglottis role in OSA. The international Emirates Congress of sleep disorders. Dubai, UAE, December 2021, Oral presentation.
- Isaac Shochat, M.D.; Dor Maayan, M.D.; Itzhak Braverman, M.D., Relation between air quality and upper-airway infection - a large scale, single-center study. IFOS annual conference, Dubai, UAE, January 2023, Poster.
- Hadas Braude Dagan, M.D.; Isaac Shochat, M.D.; Tali Teitelbaum, M.D.; Suhail Gharra, M.D.; Itzhak Braverman, M.D.; Golda Grinblat, M.D., Relation Between Presbycusis, Cognitive Decline and Depression - Single Center Study. the 16th European Federation Audiology Societies Congress, Sibenik, Croatia, May 2023, Oral presentation.
- Tali Teitelbaum M.D., Itzhak Braverman M.D., Isaac Shochat M.D. Epiglottis collapse in patients with Obstructive Sleep Apnea. The Congress of the European Rhinologic Society. Sofia, Bulgaria, June 2023, Oral presentation.
- Noa Berick M.D., Dolev Braverman, Itzhak Braverman M.D., Isaac Shochat M.D., Acoustic properties of Healthy vs. OSA patients. the 15th Congress of the European Laryngological Society. Warsaw, Poland, May 2025. Poster.

National
